Rule Change Intent

The proposal is to remove the Amateur Owner Jumper portion of the rule, leaving only the Amateur Jumper rule in place and adding a separate year end award from a ranking of Amateur Jumpers that were ridden by the recorded owner.

1. Many shows don't offer both Amateur and Amateur Owner classes therefore *not* giving all Amateurs an equal opportunity to compete.
 - If only Amateur Owner classes are offered, then the amateur is limited to the horse they or their someone in their family can purchase.
 - If only Amateur classes are offered, Amateur Owners can compete in them but then they get frustrated because the points from these Amateur only classes will not count towards their AO points
2. If a show does offer both, it's combined which makes the owner portion irrelevant for competition purposes.
 - Further, if combined, there's not a way to distinguish the Amateur from the Amateur Owner because the Amateur Owner does NOT actually have to own the horse they ride. The horse can be owned by any member of the broadly defined Family (GR 123) including uncles, nieces, grandparents, inlaws, step-child, etc.
3. Because there is pride in owning your own horse, a separate annual ranked award would be given to the Amateurs that are the recorded owner of the horse they ride.
4. This in no way affect the Amateur Rule

This proposal came out of discussions from the joint meeting of the USEF JSC and the USHJA JWG at the last USHJA Annual Meeting. That joint meeting included open dialog with members present who were overwhelmingly supportive of the concept. Due to the support received, staff and committee members began to seek further input from stakeholders through USHJA Town Halls as well as open meetings regarding the proposal at various competitions when COVID shut everything down.
