Committee Actions

9. Schooling.

a. All horses competing must be presented for check-in to the Competition Steward or their designee and must be present on the grounds for the twenty-four hour period prior to the scheduled start of the class (***an exception may be made for exceptional circumstances approved by the Steward and management***). Any horse that has been removed from the grounds for any reason without permission of competition management is ineligible to compete in that class. Competition management will determine who the person(s) responsible is (i.e. rider, trainer, etc.) for removing that horse. All of the responsible person's horses will be eliminated from that class and entry fees for that class will be forfeited.
